ATl to DC Caravan

15

2 months ago by NashvilleGal +15 / -0

Hey guys! I am looking to start arranging a caravan from ATL to DC on the 6th. If you would like to join us, please message me on Discord @ Nashvillegal#4455, so we can start coordinating. I will start a fee for us there.

The idea would be we would share the cost of renting a 15 person van on the 6th - 7th and possibly a professional Security Guard if we can find one. So, find me on Discord and let's start planning! I am open to any and all suggestions to help assure safety of all participating.
